(Note) - Item discovered at a detachment location and will be deleted from this list when subcontractor submits a shipper to the Depot for the item.

2. Government-Furnished Property - Disposition of 2 ea. Motor Drives, 8400-537650, and 9 ea. Case Drives, 8400-231460, was not accounted for.

It is requested that the Hycon Mfg. Co. be instructed to furnish a detailed explanation as to why they failed to set up property records or prepare shipping documents on the items listed in Par. 1 above, and to state to the best of their knowledge the disposition that was made of the items listed in Pars. 1 and 2 above.

It is also requested that Hycon advise what disposition has been made, or is to be made, of the Government-furnished trailer which was not carried on its property records for security purposes.

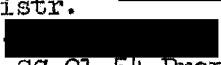

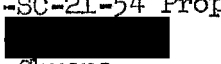

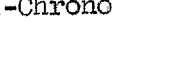

The above questions appear to be the only items precluding completion of Contract No. SC-21-54. It is requested therefore that a reply thereto be obtained and submitted to this office at the earliest practicable date.

Very truly yours,

Contracting Officer
